In 1909, two young entrepreneurs, S. Duncan Black and Alonzo G. Decker, founded a small machine shop in Baltimore, Maryland, USA. They called it 'Black & Decker Manufacturing Company'. Today, the shop is worth billions of dollars and much more than was ever imagined. Black & Decker emerged as a global marketer and manufacturer of quality products used in and around the home.

As a market driven company, Black & Decker is committed to building strong partnerships through end-user focus, customer satisfaction and continuous system enhancement to bring to the consumer the latest products of the highest quality. Black & Decker re-affirms its commitment through a full two-year warranty across all home products. A wide network of well-equipped and trained service centres backs this unique warranty across the world.
